

FHCP Medicare Premier Advantage FHCP Medicare Rx Plus

Dental benefit summary

FHCP Medicare Premier Advantage and FHCP Medicare Rx Plus plans include dental coverage designed with your health and budget in mind.

Take advantage of your dental benefits

Original Medicare doesn't cover typical dental services, but your FHCP Medicare plan does—it covers regular dental checkups that help your dentist find problems before they require major, costly dental procedures.

The quality you expect

FHCP Medicare is your trusted partner for your medical and dental health. We have the local expertise to ensure that our networks include only dentists credentialed to meet our high-quality standards.

What's included with your plan

Coverage for dental services, including:

- Dental cleanings
- Dental X-rays
- Oral exams
- Simple extraction
- Denture adjustment

There are no out-of-pocket costs or annual dollar maximums for any covered services when you visit a dentist in our network. There is no out-of-network coverage. Check your Evidence of Coverage (EOC) for full details. You can find your EOC in your member portal on fhcpmedicare.com.

Getting care

You can find an in-network dentist at floridabluedental.com/find-a-dentist. Be sure to select your FHCP Medicare plan from the drop-down list of plans and let your dentist's office know that your plan is in the Medicare Advantage Dental Network.

Member service

If you need assistance, you can reach our member service team Monday-Friday from 8 a.m. to 8 p.m. Eastern time.
